Who We Are...

At Future Cheer, we believe that every athlete should have the opportunity to gain valuable life lessons from their cheer and dance experience. It does not matter what a cheerleader or dancer can physically do, but rather what he or she can capture from the process. We believe that cheer and dance is much more than pyramids, trophies, and applause. The things we aim for our athletes to gain are self-esteem, integrity, self-discipline, teamwork, leadership, compassion, perseverance, understanding, and friendship. And along the way to obtaining these priceless gifts, it happens that our athletes, families, and supporters have FUN as they create some of their fondest memories and most cherished friends. After all, if we build these things now, we have a solid foundation for our FUTURE.

Meet the Founding Partners

Andrea Kulberg, M. Ed.

CEO, Future Cheer

As the former National Event Director for the British Cheerleading Association's (BCA) International Cheer and Dance Championships, Andrea Kulberg has been extremely instrumental in the establishment of excellence and growth for the British and International cheerleading industry. She directed the implementation of the international equivalent to American Levelling Systems, Equal Skill Performance (ESP). A former University of Texas cheerleader and National Cheerleaders Association (NCA) instructor, Andrea has had the honor of utilizing 18 years of cheerleading experience to train instructional staff, coaches, and athletes of all ages from the USA, the UK, Europe, and Asia. Andrea Kulberg is the founder of 20/20 Leadership—workshops created exclusively for cheer teams as they strive to attain their full leadership potential. Andrea is also the author of the inspirational book, *20/20 Vision: An Insightful Journey into Joyful Living and Boundless Success*. Andrea's high standard of professionalism and integrity and her unyielding dedication to young athletes is a strong anchor on which Future Cheer is proudly founded.

Tessa Crow

President, Future Cheer

Tessa Crow has utilized a lifetime of experience in the dance industry as one of the founding partners of Future Cheer. She is an accomplished competitive dancer and is an IDTA medalist in tap, modern ballet, and acro. In 1999, Tessa was asked to serve as the Administrative Director of Team Britain, the National Display Squad for the British Cheerleading Association (BCA). Through cooperative efforts with foreign Sports Councils, Tessa orchestrated many highly successful visits to Singapore, Malaysia, America, and many parts of the UK, in which the staff taught inter-scholastic cheer clinics, judged competitions, and helped promote the sport of cheerleading around the world. She was also the BCA Instructional Staff Coordinator, and later served on the Board of Directors for the BCA. In 2000, Tessa saw the need for bespoke merchandise and apparel for businesses and cheer teams alike, so she filled that need with an innovative company called Cheer Store. With a full array of custom apparel, uniforms, cheer shoes, poms, accessories, equipment, mats, and more, Cheer Store is now the official merchandise supplier of Future Cheer. Thanks to Tessa's work with Cheer Store, Future Cheer is now the one-stop shop for all of your cheer and dance needs.

Ian Crow

Vice-President, Future Cheer

Ian Crow's role at Future Cheer allows him to draw on many years of experience and success in the business and entertainment industries. A qualified electronic engineer and an accomplished DJ, Ian is the perfect professional to provide for Future Cheer logistical management and major event support. He emceed some of the UK's inaugural cheer competitions when his daughter joined one of Britain's first competitive teams. In 1997, Ian joined the British Cheerleading Association's (BCA) National Championships Committee, where he was instrumental in developing BCA's Equal Opportunity Program. Ian later served as a member of the Board of Directors with the BCA as the Child Protection Officer. He provided technical and logistical input for major cheer and dance events and has continued to further the camp and competition experience for all participants through his exceptional perspective and ability to support young athletes.

Neil Kulberg

Vice-President, Future Cheer

Utilizing an extensive background in accounting and IT, Neil Kulberg supports the Future Cheer office management and web development. Neil earned his Bachelor's degree in Accounting at the University of Texas and is also a Microsoft Certified Systems Engineer with a strong history as a business systems analyst. An accomplished athlete in his own right, Neil fully appreciates the life skills and leadership opportunities that the cheerleading experience has to offer. His desire to support young athletes is evident in the highly involved role he takes in the Future Cheer family. While you will not see Neil instructing at camps or announcing teams, you'll definitely see him impacting the positive experience of FC athletes, coaches, and supporters.
